

Wall Mount Boards

JDTI Tackboards & Markerboards Reference Sheet

Features:

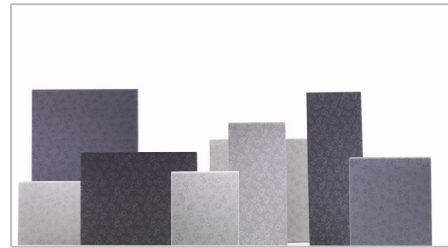

- Wide selection of standard fabrics to choose from
- Complete ready to mount boards make for easy installation
- Years of industry experience guarantee our products are made with the quality you demand.
- Highly reliable service means your product arrives when and where you need it. Most products will ship in less than 3 weeks.

Options:

- Add more value by upgrading to an integrated power strip. This is an inexpensive and effective way to bring outlet access above a worksurface (add \$65.00).
- For other options please contact customer service.

- Power units are U.L. listed with an 8' long cord and accepts AMP flexmode data and telecommunications modules.

Shipping

- Freight charges will be assessed and applied at the time of shipping. We will attempt to meet any special routing requirements as long as they are known prior to shipment and assume no liability for damages or cost incurred by our inability to do so. All shipments are on a dock-to-dock basis. Inside delivery or special services are additional and must be arranged prior to shipment.
- Legal title of merchandise passes to the purchaser upon delivery by JDTI to the carrier Purchaser must check all items upon receipt of shipment. If damage is apparent, note the damage on the company's freight bill. Do not reject the shipment. Concealed damage must be reported to the transportation company no later than fifteen (15) working days after delivery. Claims for apparent defects, errors or shortages must be made within five (5) working days to JDTI customer service. Failure to make claims within five (5) working days constitute acceptance of the goods and waiver of any apparent defects, errors or shortages.
